Experience the new co-working space in Erhvervsbyen

A new, untraditional bar, and co-working space has found its way to Erhvervsbyen, and we would like you to experience it. Come, hear the story behind RAMP 32, and meet your colleagues in Erhvervsbyen on **Thursday September 27 at 15:30**.

With RAMP 32, we now have a cosy and informal place to meet and hold meetings and events in another kind of setting - and create relations and value for everyone in Erhvervsbyen.

When VIRKBAR is over we will call it THURSDAY BAR, and hang out in the cosy atmosphere with the perfect décor with unique antiques - that are all for sale! Ramp 32 also has a food truck where you can buy food and snacks.

THURSDAY BAR will be a recurring event at RAMP 32 for all colleagues in Erhvervsbyen. This will take place every last Thursday of the month at 16:00. So remember: Book your calendar already now!
