Problemet

Problemet

Udfordringer i byggebranchen

Manglende infrastruktur for handlen med sekundære byggematerialer

Sikkerhed og kvalitet af sekundære materialer

Planlægning og tilgængelighed

LCA beregninger og uforståelig Størrelse

Cirkulære design-redskaber

Forside

- engagerende
landing page

Navigering

- nem,
simpel, professionel

CO2

- Håndgribeliggøres
ved at relateres til
flyrejser

The screenshot displays the frontpage of the website bygcirkulaert.dk. At the top, there is a navigation menu with the following items: FORSIDE, FIND, EFTERLYS, TILBYD, CASES, INSPIRATION, REGLER, and OM OS. A search bar is located below the navigation menu, containing the text "Søg...".

The main content area features a large blue cloud graphic with the text "57 tons CO₂". Above this graphic, it says "I år har vi sammen sparet planeten for:". Below the graphic, it says "Men der er stadig et stykke vej endnu:". A progress bar shows that 38% of the goal of 150 tons CO₂ has been reached. The text below the progress bar reads "Vi har nået 38% af vores mål på 150 tons CO₂".

On the right side of the page, there is a vertical list of material categories: Beplantning, Beton, Gips, isolering og flamingo, Inventar, Jord, sand og grus, Mursten, tegl og belægning, Stål og metal, Træ og interrim, Vinduer, døre og glas, and Andre materialer.

Below the material categories, there is a section titled "Nyeste annoncer" with a small image of a window frame and the text "149 kg".

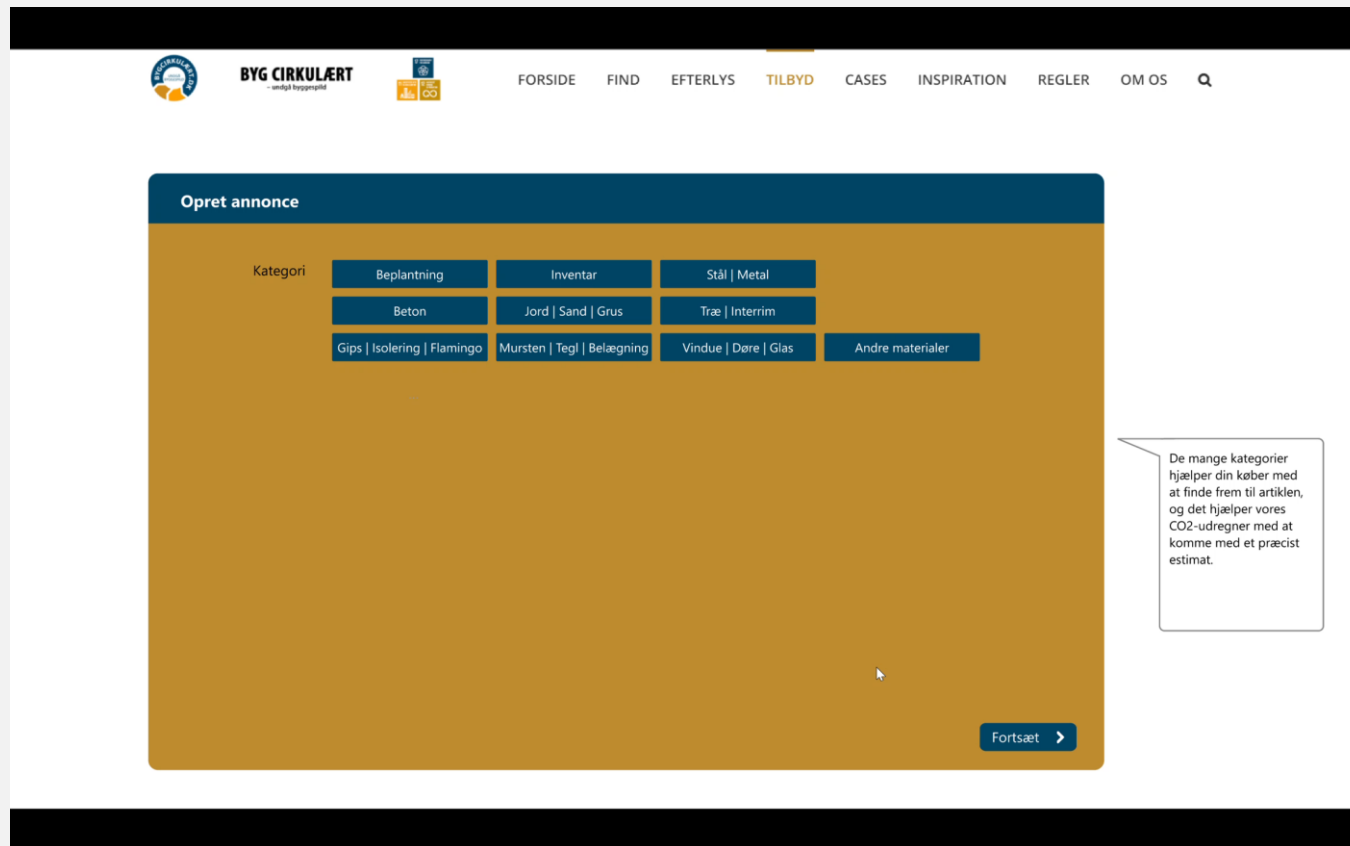

At the bottom of the page, there is a caption: "Prototype of CO₂ calculator on bygcirkulaert.dk - frontpage + search". Below the caption, it says "309 views | May 22, 2021". There are also three icons: a thumbs up, a thumbs down, and a share icon.

Oprettelse af artikel

- Er tilrettelagt kategori af materiale
- Parametre afhænger af Materialet

Stand, afhentning, billeder

- øger robustheden af platformen og trygheden hos brugeren

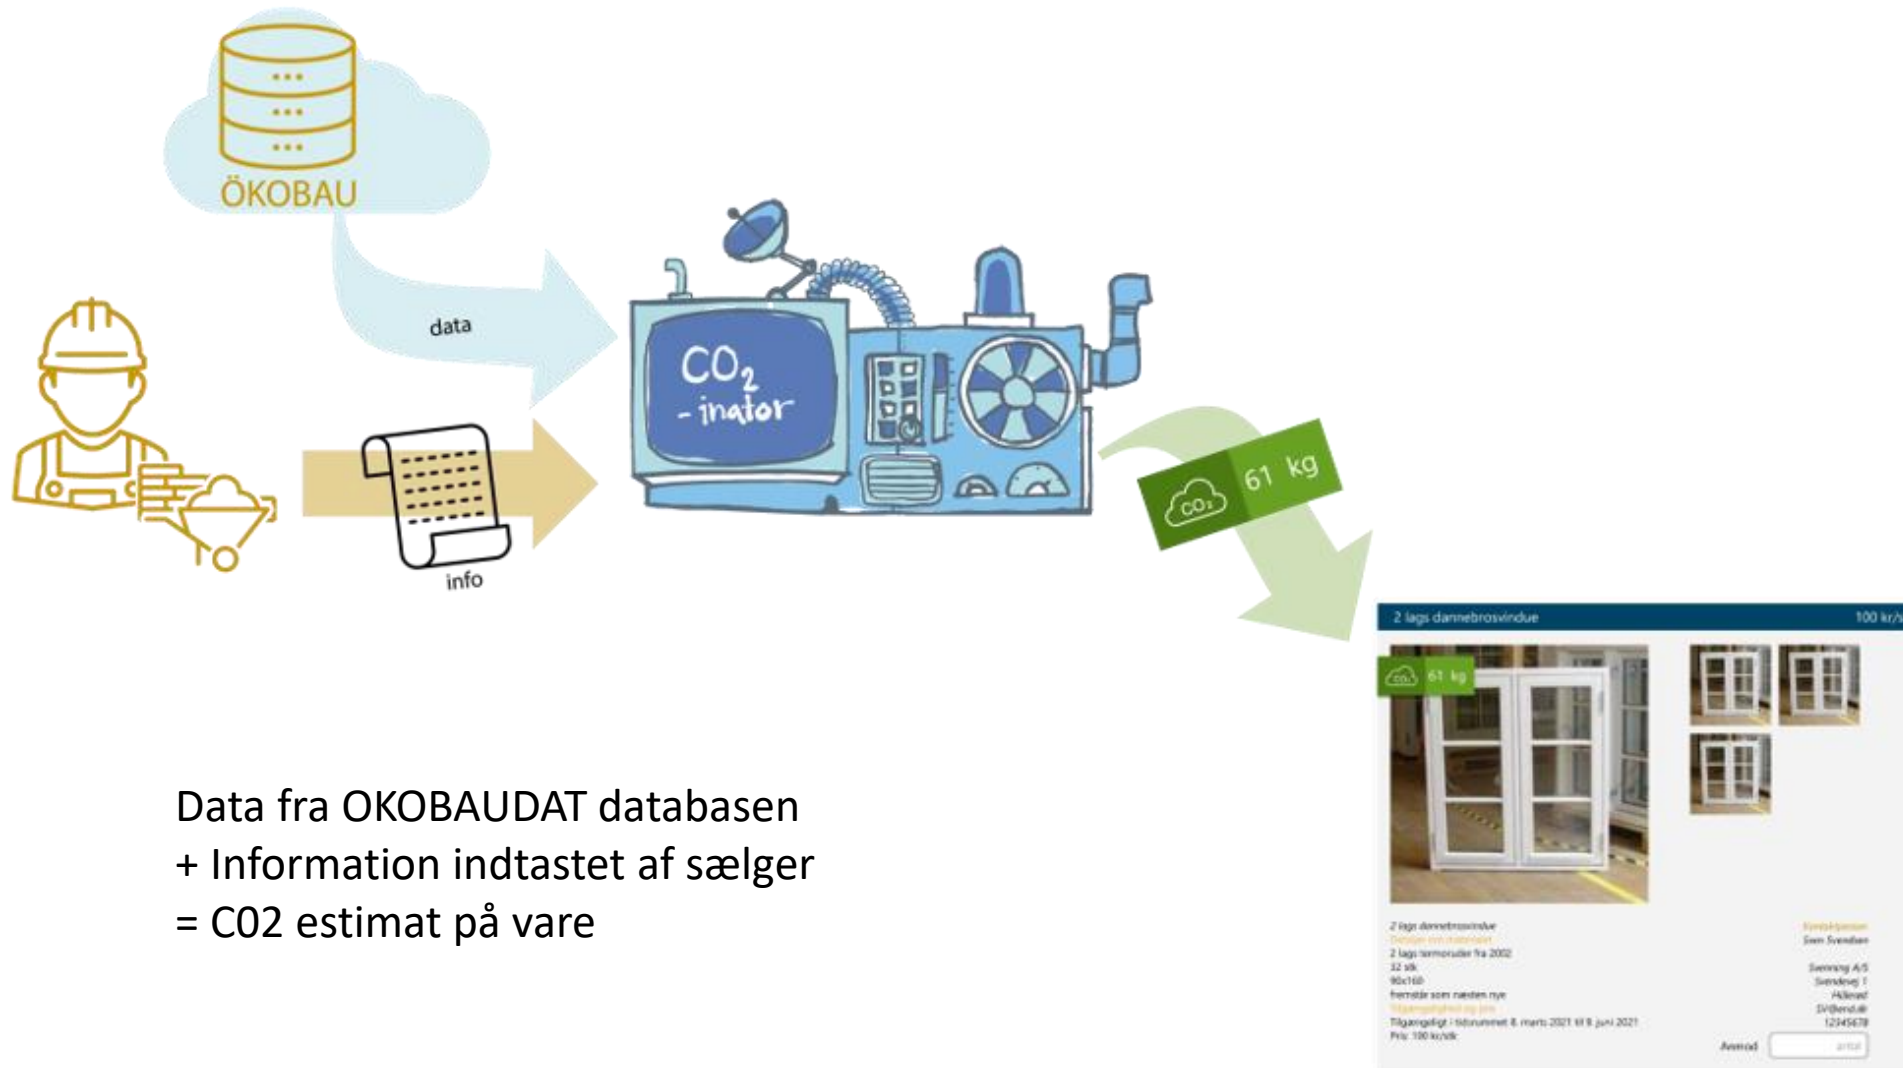

Prototype of CO₂ calculator on bygcirculaert.dk - create ad

First implementation of CO₂ calculator on bygcirculaert.dk

309 views | May 22, 2021

A long, empty concrete hallway with a person walking in the distance. The hallway is made of light-colored concrete with a series of columns on the left side. The ceiling is also concrete with recessed lighting. The floor is a smooth, light-colored surface. A person is walking away from the camera in the distance. The overall tone is warm and minimalist.
